#### A CLOSE CALL.

Boy Knocked Under Buggy But Not Seriously Hurt.

A little son of Dr. J. B. Jackson came near meeting with a serious accident Saturday afternoon. The little fellow started on a fast run from the Commercial Bank to the Anderson & Fowler corner and ran against a horse which a man was driving to a buggy. He was knocked down, but fortunately escaped being run over. He was a little bruised by the fall but sustained no serious

Bystanders were excited and indignant on account of the apparent indifference of the man, though some say that he was not to blame as he did not see the boy in time to keep him from running such a risk. This paper has more than once alled attention to the carelessnses of people driving buggies and other vehicles and allowing pedestrians to do all the "looking out," when it is the duty of drivers to see that some one is in danger when turning a corner-especially in the business part of the city.

Eruptions Appeared on Chest, and Face and Neck Were All Broken Out - Scales and Crusts Formed - lowa Lady Has Great Faith in Cuticura Remedies for Skin Diseases.

#### ANOTHER WONDERFUL CURE BY CUTICURA

"I had an eruption appear on my chest and body and extend upwards and downwards, so that my neck and face were all broken out; also my arms and the lower limbs as far as the knees. I at first thought it was prickly heat. But soon scales or crusts formed where the breaking out was. Instead of going the breaking out was. Instead of going to a physician, I purchased a complete treatment of the Cuticura Remedies, in which I had great faith, and all was satisfactory. A year or two later the eruption appeared again, only a little lower; but before it had time to spread I procured another supply of the Cuticura Remedies, and continued their use until the cure was complete. It is now five years since the last attack, and have not seen any signs of a return. I have taken about three bottles of the Cuticura Resolvent, and do not know how much of the Soap or Ointment, as I always keep them with me; probably one half dozen of each.

"I decided to give the Cuticura Remedies a trial after I had seen the results of their treatment of eczema on an

The Comic opera "Robin Hood" comes to this city tonight, appearing at Holland's Opera House under the direction of The Aborn ProductionCo. The book of the opera contains. many filings of a sarcastic nature against the nobility of England, which shows the snobbery of English aristocracy existed in the good old days of the famous outlaw Robin Hood just as well as in our day. This is exemplified in the second acts when Guy of Gisborne says to the Sheriff of Nottingham, "Lend me your eagle eye and massive brain for a few days. The Sheriff replies. 'You are at present a lout." "Quite right" says Guy. The Sheriff them says, "When you are a Peer of England you can be as loutish as your please."

The book and lyrics by those well known librettists, Messrs. Harry B. Smith and Reginald De Koven, are unqestionably the finest examples of high class legitimate comic opera to be heard on the stage at the present time. The Messrs. Aborn will offer a company of 50 well known vocalists and comedians and chorus and ensemble work is promised to be of the highest order. The claborate production was made from original scene models of the Bostonians' production and has been entirely rebuilt new this season. The coming of "Robin Hood" marks a grand musical event for this city.
